Model Schools will present on combining hardware with coding so students can create innovative new projects. This presentation will specifically focus on Makey Makey and Scratch.

Outdoor Environmental Education will facilitate a discussion on maker space and detail some of the different equipment they are looking to implement at our sites; you will also have the opportunity to visit our Star Lab next door.

Utilizing the maker space as a means of motivating students to engage.... Learn how to create a maker space with limited funds to engage students in your library.

12:30 – 1:00 P.M.
Lunch ~ Compliments of BrainPop, EBSCO, Fact Cite, Follett, Gale/Cengage, MediaFlex, Perma-Bound, SAGE Publications

1:00 – 3:00 P.M.
Unconference afternoon
