MLA 8

This program will look at MLA 8 and how it differs from previous MLA citation styles. We will discuss why these differences came about and how they are geared to better serve us in the information age.

We will also discuss students’ perceptions of the citation process (it’s not just about plagiarism) and how we can guide them to better understand the value of citing.

Date: March 12, 2019
Time: 9:00 – 11:00 am
Place: SCLS Auditorium, 627 North Sunrise Service Road, Bellport
Register: https://goo.gl/DBCSgS

Presented by Fabio Montella, Assistant Professor of Library Services at Suffolk County Community College. A graduate of Stony Brook University and LIU, Fabio has translated his passion for history and research into the realm of information literacy. Fabio adheres to the ACRL’s Framework for Information literacy and incorporates these core ideas into his classroom instruction.
